

AI Services – Flathead. Built specifically for local contractors, not call centers

Never Miss Another Job.

An AI Phone Agent That Works While You Do.

THE PROBLEM EVERY CONTRACTOR KNOWS

You're on a job — hands dirty, phone rings. You can't answer. It goes to voicemail. The caller hangs up and calls the next guy.

WHEN THIS HAPPENS	THE RESULT
You're on a roof or under a sink	Call goes to voicemail — job goes to competitor
Customer calls after 5pm or on weekends	No answer, no callback, no job
You're driving between job sites	Dangerous to answer, costly not to

THE SOLUTION: YOUR AI PHONE AGENT

An AI agent answers every call in your name, 24/7 — sounds professional, handles the conversation, and books the appointment.

- **Always On.** Answers calls immediately — no hold music, no voicemail
- **Professional.** Greets callers with your business name and collects job details
- **Efficient.** Books appointments directly into your calendar and texts you a summary
- **24/7 Coverage.** Handles after-hours, weekends, and overflow — no gaps ever

WHAT THIS MEANS FOR YOUR BUSINESS

 More Jobs Booked Every call answered, every lead captured	 No Staff Needed No receptionist salary or benefits	 Works Instantly Set up in days, not months
--	---	---

SIMPLE. AFFORDABLE. NO TECH SKILLS REQUIRED.

- No long-term contracts — cancel any time
- Works with your existing phone number
- Customized to your trade, your services, your area
- Most contractors recover the cost with a single additional job booked

Let's Talk — Free 20-Minute Consultation

No pressure. No commitment. Just a conversation about whether this fits your business.
